

Emerging Market Kit Deployment

GJ Emerging Market Kits typically arrive three weeks after a SOW is signed. Need faster delivery for future orders? Ask about our Partnership Stocking Program, wherein Kits are built, stocked and ready to be delivered as needed.

Domestic (USA) Timeline

Like to be pampered? Use our White Glove service! A GJ engineer will travel to your location (anywhere in the world), set up your Kit, and watch your productivity soar.

1. Assumes you are not currently in the Partner Program. But you are still a VIP in our eyes!
2. Launch Meeting usually occurs within 5 business days. We can speed things up if needed.
